

Website statement

On January 28, 2021 we signed an agreement with Sundaram Asset Management announcing their intention to acquire Principal Asset Management Pvt. Ltd. in India, pending regulatory approval.

At this time, there will not be any changes to our funds or for you as an investor. We will continue to manage our funds, using our existing policies and processes, in the best interest of unitholders, until the close of the transaction, following regulatory approval.

Our investors remain our top priority, as we transition the business. If and when there are changes to the funds you are invested in, we will follow the regulatory process to communicate the changes and what options are available to you. For any questions, please call 1800 425 5600 or email customer@principalindia.com.
